The Truth Initiative has just published a new study that purports to back up FDA Commissioner Scott Gottlieb’s claim that teenage vaping — and especially teen use of JUUL — has become an epidemic. But their numbers don’t match their claims. The figure Truth trumpets on its website is that teens aged 15-17 are 16 times more likely to have ever used a JUUL than adults aged 25-34.

1. God Must Be Evil. 1.1. The Existence of Suffering. If God was all-powerful and all-loving, with free will yet perfectly good, God would create life with similar properties: with free will and perfectly good. Meaning that there would be no human-created evil, and no need for evil, suffering or death in the world in any way. However, there is evil and death in very great quantities, therefore ...
